

### REMARKS

In response to the Election/Restriction Requirement mailed June 17, 2005, Applicants provisionally elect Species B (Figures 14-16), with traverse. It is believed that claims 1-16, as well as newly added claims 17-19 properly belong with elected Species B.

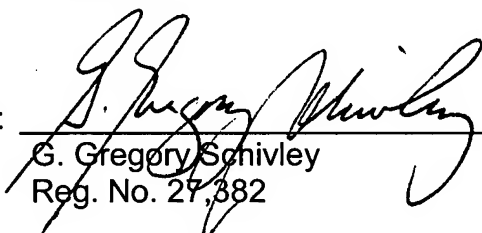

The Examiner is requested to reconsider her Election/Restriction Requirement because all groups of claims are drawn to subject matter which is so related to each other that an undue burden would not be placed upon the Examiner by maintaining both groups of claims in a single application. See, e.g., MPEP § 803.

Favorable consideration of this application is respectfully requested.

Respectfully submitted,
